

Empowerment advisory

It is said that the spirit of Ubuntu sweeps through the African continent whispering "I am because you are."

At Mindworx we stretch this philosophy one step further, believing that "if I am better, you can be too."

As a multi-disciplinary transformation enabler, the Mindworx Empowerment advisory team are specialists in customised B-BBEE consulting, facilitation and implementation solutions.

Firmly rooted in our convictions of being flexible, involved, thoughtful and collaborative in all our endeavours, Mindworx Empowerment advisory builds meaningful relationships with our clients as we guide you on this journey of transformation.
