

At Mindworx, our business services create tangible value and operational excellence for our clients by uniquely combining passion, talented people, market and industry insights and best practice solutions.

We are technology and methodology agnostic – we design custom solutions based on your specific needs and requirements to deliver measurable and sustainable results.

“Seventy percent of our assignments initiate from referrals or are repeat work - a testament to our trusted advisor status.”

From our clients' mouths

“We found the Mindworx Consulting team to be dedicated and enthusiastic, with a “can do” attitude.” CFO, Media24 Group & Magazines

“The individual attention offered really made me feel valued. I believe that the structure and strategy that they delivered is so futuristic that it will still be relevant in 10 years’ time.” MD, City of Johannesburg Property Company

“I refer to them as a partner rather than a service provider because they share our vision.” Chairperson: Integrated Justice System (IJS) Board, Department of Justice and Constitutional Development

“Ability to seamlessly blend business consulting, programme management and specific technical expertise”HOD - Eastern Cape Province, Department of Transport

Some of our clients include:

10

Who is Mindworx?

Launched in 2002, Mindworx is a people-focussed niche consultancy. Whether it's business consulting, empowerment advisory or resourcing of teams from middle management through to the C-suite that you require, our teams of experts will take the time to find out what it is you need, offer bespoke solutions, and provide them on time and within budget. You will find that we're friendly, responsive, and know your market as well as you do.

Our Mindworx Academy is dedicated to providing recent graduates with scarce skills training to secure real digital job opportunities. We also provide ongoing development for the rest of your team in new critical skills for the 21st century workplace.

As a socially conscious Level 1 BEE Contributor, Mindworx also offers significant enhancement to client B-BBEE scorecards in the areas of transformation, skills development, supplier develop and preferential procurement.

Make the connection and join the Mindworx network. Plug in. Prosper.
